Horse Safari

Your choice between a 1½ hour beach/bush ride. (Beach rides are tide permitting).

Our beach rides start at the Main Beach in St. Lucia - kilometres of clean white sand with the Indian Ocean rolling in alongside. We take the horses down to the waters edge and head either north towards First Rocks or south towards the St. Lucia Estuary, riding alongside. Sightings may include bridging humpback whales/turtles (seasonal) dolphins playing in the surf, hippo pods relaxing in the estuary, crocodiles sunning themselves on the sandy banks or just the amazing views along the beach, amongst the highest forested sand dunes in Africa. Our beach rides are low tide dependent and can only take place 2 hours either side of low tide.

Game rides begin at Iphiva, a 5 minute drive from the centre of St. Lucia. From here we ride into the Game Reserve on the southern end of the iSimangaliso Wetland Park where we ride alongside zebra, wildebeest, bushbuck, warthog, duiker, impala etc. with occasional sightings of rhino, buffalo and our elusive leopard. By being so unobtrusive on horseback, we are able to view game from just meters away without interrupting their normal behaviour.

This is a 1½ hour beach or game horse ride. Wear long pants, closed shoes and a hat. Bring sunglasses and binoculars. Children must be over 8 years old for a beach ride. Riders must be under 90 kg.
